INFORMATION ABOUT THE NORTH CAROLINA REGISTER AND ADMINISTRATIVE CODE

NORTH CAROLINA REGISTER

The *North Carolina Register* is published twice a month and contains information relating to agency, executive, legislative and judicial actions required by or affecting Chapter 150B of the General Statutes. All proposed administrative rules and notices of public hearings filed under G.S. 150B-21.2 must be published in the Register. The Register will typically comprise approximately fifty pages per issue of legal text.

State law requires that a copy of each issue be provided free of charge to each county in the state and to various state officials and institutions.

The *North Carolina Register* is available by yearly subscription at a cost of one hundred and five dollars (\$105.00) for 24 issues. Individual issues may be purchased for eight dollars (\$8.00).

Requests for subscription to the North Carolina Register should be directed to the Office of Administrative Hearings, P. O. Drawer 27447, Raleigh, N. C. 27611-7447.

TEMPORARY RULES

Under certain emergency conditions, agencies may issue temporary rules. Within 24 hours of submission to OAH, the Codifier of Rules must review the agency's written statement of findings of need for the temporary rule pursuant to the provisions in G.S. 150B-21.1. If the Codifier determines that the findings meet the criteria in G.S. 150B-21.1, the rule is entered into the NCAC. If the Codifier determines that the findings do not meet the criteria, the rule is returned to the agency. The agency may supplement its findings and resubmit the temporary rule for an additional review or the agency may respond that it will remain with its initial position. The Codifier, thereafter, will enter the rule into the NCAC. A temporary rule becomes effective either when the Codifier of Rules enters the rule in the Code or on the sixth business day after the agency resubmits the rule without change. The temporary rule is in effect for the period specified in the rule or 180 days, whichever is less. An agency adopting a temporary rule must begin rule-making procedures on the permanent rule at the same time the temporary rule is filed with the Codifier.

ADOPTION AMENDMENT, AND REPEAL OF RULES

The following is a generalized statement of the procedures to be followed for an agency to adopt, amend, or repeal a rule. For the specific statutory authority, please consult Article 2A of Chapter 150B of the General Statutes.

Any agency intending to adopt, amend, or repeal a rule must first publish notice of the proposed action in the *North Carolina Register*. The notice must include the time and place of the public hearing (or instructions on how a member of the public may request a hearing); a statement of procedure for public comments; the text of the proposed rule or the statement of subject matter; the reason for the proposed action; a reference to the statutory authority for the action and the proposed effective date.

Unless a specific statute provides otherwise, at least 15 days must elapse following publication of the notice in the *North Carolina Register* before the agency may conduct the public hearing and at least 30 days must elapse before the agency can take action on the proposed rule. An agency may not adopt a rule that differs substantially from the proposed form published as part of the public notice, until the adopted version has been published in the *North Carolina Register* for an additional 30 day comment period.

When final action is taken, the promulgating agency must file the rule with the Rules Review Commission (RRC). After approval by RRC, the adopted rule is filed with the Office of Administrative Hearings (OAH).

A rule or amended rule generally becomes effective 5 business days after the rule is filed with the Office of Administrative Hearings for publication in the North Carolina Administrative Code (NCAC).

Proposed action on rules may be withdrawn by the promulgating agency at any time before final action is taken by the agency or before filing with OAH for publication in the NCAC.

NORTH CAROLINA ADMINISTRATIVE CODE

The North Carolina Administrative Code (NCAC) is a compilation and index of the administrative rules of 25 state agencies and 38 occupational licensing boards. The NCAC comprises approximately 15,000 letter size, single spaced pages of material of which approximately 35% of is changed annually. Compilation and publication of the NCAC is mandated by G.S. 150B-21.18.

The Code is divided into Titles and Chapters. Each state agency is assigned a separate title which is further broken down by chapters. Title 21 is designated for occupational licensing boards.

The NCAC is available in two formats.

- (1) Single pages may be obtained at a minimum cost of two dollars and 50 cents (\$2.50) for 10 pages or less, plus fifteen cents (\$0.15) per each additional page.
- (2) The full publication consists of 53 volumes, totaling in excess of 15,000 pages. It is supplemented monthly with replacement pages. A one year subscription to the full publication including supplements can be purchased for seven hundred and fifty dollars (\$750.00). Individual volumes may also be purchased with supplement service. Renewal subscriptions for supplements to the initial publication are available.

Requests for pages of rules or volumes of the NCAC should be directed to the Office of Administrative Hearings.

Lumberton, North Carolina 28359-1388

Dear Mr. Holec:

This refers to the annexation [Ordinance No. 1359 (1992)] to the City of Lumberton in Robeson County, North Carolina, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act of 1965, as amended, 42 U.S.C. 1973c. We received your submission on September 22, 1992.

The Attorney General does not interpose any objection to the specified change. **TITLE 10 - DEPARTMENT OF HUMAN
RESOURCES**

Notice is hereby given in accordance with G.S. 150B-21.2 that the DHR/Division of Medical Assistance intends to adopt rule cited as 10 NCAC 26B .0123, with changes from the proposed text noticed in the Register, Volume 7, Issue 13, pages 1294-1295.

The proposed effective date of this action is March 1, 1993.

Reason for Proposed Action: This adoption will allow Medicaid to pay for all components of the drug therapies except for the drugs in a package per diem rate. This single coverage designation simplifies access to care for Medicaid recipients, relieving the recipient and the attending physician from having to contact multiple agencies to arrange care.

Comment Procedures: Written comments concerning this adoption must be submitted by January 1, 1993, to: Division of Medical Assistance, 1985 Umstead Drive, Raleigh, NC 27603 ATTN: Clarence Ervin, APA Coordinator. Oral comments may be presented at the hearing. In addition, a fiscal impact statement is available upon written request from the same address.

**CHAPTER 26
MEDICAL ASSISTANCE**

**SUBCHAPTER 26B - MEDICAL
ASSISTANCE PROVIDED**

SECTION .0100 - GENERAL

.0123 HOME INFUSION THERAPY

(a) Self-administered Home Infusion Therapy (HIT) is covered when it is medically necessary and provided through an enrolled HIT agency as prescribed by a physician. "Self-administered" means that the patient or an unpaid primary caregiver is capable, able, and willing to administer the therapy following teaching and with monitoring. The following therapies are included in this coverage when self-administered:

- (1) Total parenteral nutrition;
- (2) Enteral nutrition;
- (3) Intrathecal and intravenous

chemotherapy;

- (4) Intravenous antibiotic therapy;
- (5) Pain management therapy, including subcutaneous, epidural, intrathecal, and intravenous pain management therapy.

(b) An agency must be a home care agency licensed in North Carolina for the provision of infusion nursing services to qualify for enrollment as a HIT provider.

In addition to enrolled HIT providers, agencies enrolled to provide durable medical equipment may provide the supplies, equipment, and nutrient formulae for enteral infusion therapy.

Authority G.S. 108A-25(b); 42 C.F.R. 440.230; 42 C.F.R. 440.260.

Notice is hereby given in accordance with G.S. 150B-21.2 that the DHR/Division of Medical Assistance intends to adopt rule cited as 10 NCAC 26B .0124.

The proposed effective date of this action is March 1, 1993.

The public hearing will be conducted at 1:30 p.m. on January 4, 1993 at the North Carolina Division of Medical Assistance, 1985 Umstead Drive, Room 132, Raleigh, NC 27603.

Reason for Proposed Action: This rule insures that holders of CON who violate the CON agreement, and who become certified, are not enrolled in the Medicaid program.

Comment Procedures: Written comments concerning this adoption must be submitted by January 4, 1993, to: Division of Medical Assistance, 1985 Umstead Drive, Raleigh, NC 27603 ATTN: Clarence Ervin, APA Coordinator. Oral comments may be presented at the hearing. In addition, a fiscal impact statement is available upon written request from the same address.

**SUBCHAPTER 26B - MEDICAL
ASSISTANCE PROVIDED**

SECTION .0100 - GENERAL

.0124 INSTITUTIONAL HEALTH SERVICES

No provider may be enrolled in the Medicaid Program for services required under the Certificate of Need Law unless those services meet the requirements of G.S. 131E-190.

Statutory Authority G.S. 108A-25(b); 108A-54.

* * * * *

Notice is hereby given in accordance with G.S. 150B-21.2 that the DHR/Division of Medical Assistance intends to amend rules cited as 10 NCAC 50B .0311 and .0313.

The proposed effective date of this action is March 1, 1993.

The public hearing will be conducted at 1:30 p.m. on January 4, 1993 at the North Carolina Division of Medical Assistance, 1985 Umstead Drive, Room 132, Raleigh, N.C. 27603.

Reason for Proposed Action:

10 NCAC 50B .0311: Amendment will revise rule to incorporate rules for considering assets owned by individuals who are incompetent.

10 NCAC 50B .0313: Rule needs to be revised to correct an error. The Rule currently addresses tax refunds and then goes into the rules for Passalong of Social Security benefits without introductory statements. The proposed amendment makes this correction and adds:

- - the federally mandated passalong of Cost of Living Adjustments (COLA's) for disabled widows/widowers who lost SSI benefits effective January, 1984, as a result of the elimination of the Actuarial Reduction Formula,
- - the passalong of COLA's for categorically needy M-AABD clients who would be eligible for SSI if all RSDI COLA's since they received SSI and/or State/County Special Assistance concurrently with RSDI were disregarded, and
- - the special RSDI passalong for disabled widows/widowers/surviving divorced spouses who are not yet entitled to Medicare Part A.

Comment Procedures: Written comments concerning this amendment must be submitted by January 4, 1993, to: Division of Medical Assistance, 1985 Umstead Drive, Raleigh, NC 27603 ATTN: Clarence Ervin, APA Coordinator. Oral comments may be presented at the hearing. In addition, a fiscal impact statement is available upon written request from the same address.

CHAPTER 50 - MEDICAL ASSISTANCE

SUBCHAPTER 50B - ELIGIBILITY DETERMINATION

SECTION .0300 - CONDITIONS FOR ELIGIBILITY

.0311 RESERVE

North Carolina has elected the option under Section 1902(f) of the Social Security Act to limit Medicaid eligibility for the aged, blind or the disabled to individuals who meet eligibility requirements more restrictive than those under Supplemental Security Income. Applicants for and recipients of Medicaid shall use their own resources to meet their needs for living costs and medical care to the extent that such resources can be made available. Certain resources shall be protected to meet specific needs such as burial and transportation and a limited amount of resources shall be protected for emergencies.

- (1) The value of resources currently available to any budget unit member shall be considered in determining financial eligibility. A resource shall be considered available when it is actually available and when the budget unit member has a legal interest in the resource and he, or someone acting in his behalf, can take any necessary action to make it available.
 - (a) Resources shall be excluded in determining financial eligibility when the budget unit member having a legal interest in the resources is incompetent unless:
 - (i) A guardian of the estate, a general guardian or an interim guardian has been lawfully appointed and is able to act on behalf of his ward in North Carolina and in any state in which such resources are located; or
 - (ii) A durable power of attorney, valid in North Carolina and in any state in

which such resource is located, has been granted to a person who is authorized and able to exercise such power.

- (b) When there is a guardian, an interim guardian, or a person holding a valid, durable power of attorney for a budget unit member, but such person is unable, fails, or refuses to act promptly to make the resources actually available to meet the needs of the budget unit member, a referral shall be made to the county department of social services of a determination of whether the guardian or attorney in fact is acting in the best interests of the member and if not, contact the clerk of court for intervention. The resources shall be excluded in determining financial eligibility pending action by the clerk of court.

- (c) When a Medicaid application is filed on behalf of an individual who:

- (i) is alleged to be mentally incompetent,
- (ii) has or may have a legal interest in a resource that affects the individual's eligibility, and
- (iii) does not have a representative with legal authority to use or dispose of the individual's resources, the individual's representative or family member shall be instructed to file within 30 calendar days a judicial proceeding to declare the individual incompetent and appoint a guardian. If the representative or family member either fails to file such a proceeding within 30 calendar days or fails to timely conclude the proceeding, a referral shall be made to the services unit of the county department of social services for guardianship services. If the allegation of incompetence is supported by a physician's certification or other competent evidence from sources including but not limited to physicians, nurses, social workers, psychologists, relatives, friends or others with knowledge of the condition of the individual, the resources shall be excluded except as provided in Sub-items (1)(d) or (e) of this Rule.

- (d) The budget unit member's resources shall be counted in determining his eligibility for Medicaid beginning the first day of the month following the

month a guardian of the estate, general guardian or interim guardian is appointed, provided that after the appointment, property which cannot be disposed of or used except by order of the court shall continue to be excluded until completion of the applicable procedures for disposition specified in Chapters 1 or 35A of the North Carolina General Statutes.

- (e) When the court rules that the budget unit member is competent or no ruling is made because of the death or recovery of the member, his resources shall be counted except for periods of time for which it can be established by competent evidence from sources including but not limited to physicians, nurses, social workers, psychologists, relatives, friends or others with knowledge of the condition of the individual that the member was in fact incompetent. Any such showing of incompetence is subject to rebuttal by competent evidence as specified herein and in Sub-item (1)(c) of this Rule.

- (2) The limitation of resources held for reserve for the budget unit shall be as follows:

- (a) For Family and Children's related categorically needy cases, one thousand dollars (\$1,000) per budget unit;
- (b) For aged, blind or disabled cases and Family and Children's related medically needy cases, one thousand five hundred dollars (\$1,500) for a budget unit of one person, two thousand two hundred fifty dollars (\$2,250) for a budget unit of two persons and increases of one hundred dollars (\$100.00) for each additional person in the budget unit over two, not to exceed a total of three thousand, fifty dollars (\$3,050).

- (3) If the value of countable resources of the budget unit exceeds the reserve allowance for the unit, the case shall be ineligible:

- (a) For Family and Children's related cases and aged, blind or disabled cases protected by grandfathered provisions, and medically needy cases not protected by grandfathered provision, eligibility shall begin on the day countable resources are reduced to allowable limits or excess income is spent down, whichever occurs later;

- (b) For categorically needy aged, blind or disabled cases not protected by grandfathered provisions, eligibility shall begin no earlier than the month countable resources are reduced to allowable limits as of the first moment of the first day of the month.
- (4) Resources counted in the determination of financial eligibility for categorically needy and medically needy aid to the aged, blind, or disabled cases protected by grandfathered provisions are:
 - (a) Cash on hand;
 - (b) The current balance of savings accounts, except savings of a student saving his earnings for educational purposes;
 - (c) The current balance of checking accounts;
 - (d) Cash value of life insurance policies when the total face value of all policies that accrue cash value exceeds one thousand five hundred dollars (\$1,500);
 - (e) Equity in motor vehicles, including motor homes, determined to be non-essential according to Rule .0403 of this Subchapter;
 - (f) Equity in excess of one thousand dollars (\$1,000) in motor vehicles, including motor homes, determined to be essential according to Rule .0403 of this Subchapter;
 - (g) Stocks, bonds, mutual fund shares, certificates of deposit and other liquid assets;
 - (h) Negotiable and salable promissory notes and loans;
 - (i) Trust funds;
 - (j) The portion of lump sum payments remaining after the month of receipt;
 - (k) Individual Retirement Accounts or other retirement accounts or plans;
 - (l) Equity in real property not used as the homesite or not producing an income;
 - (m) Value of burial spaces other than spaces designated for the eligible individual, the eligible individual's spouse, and the eligible individual's immediate family which includes the eligible individual's minor and adult children, stepchildren, and adopted children, brothers, sisters, parents, adoptive parents, and the spouses of those persons;
 - (n) Salable remainder interest in life-estate property not used as the budget unit's homesite;

Entry on game lands for purposes other than hunting, trapping or fishing shall be as authorized by the landowner and there shall be no removal of any plants or parts thereof, or other materials, without the written authorization of the landowner. Travel is restricted, except by authorized personnel, to direct access from SR 2074 to the established waterfowl viewing stands on Cowan's Ford Waterfowl Refuge. The Wildlife Resources Commission may designate areas on game lands as either an Archery Zone, Safety Zone or Restricted Zone.

- (1) Archery Zone. On portions of game lands posted as "Archery Zones" hunting is limited to bow and arrow hunting only.
- (2) Safety Zone. On portions of game lands posted as "Safety Zones" hunting is prohibited. No person shall hunt or discharge a firearm or bow and arrow within, into, or across a posted safety zone on any game land.
- (3) Restricted Zone. Portions of game lands posted as "Restricted Zones" are closed to all use by the general public, and entry upon such an area for any purpose, except as authorized by permit from the Executive Director of the Wildlife Resources Commission or by authorized personnel in the performance of their duties, is prohibited.
- (4) Establishment of Archery and Restricted Zones. The Commission will conduct a public input meeting in the area where the game land is located before establishing any archery or restricted zone. After the input meeting the public comments will be presented to an official Commission meeting for final determination.

(b) Littering. No person shall deposit any litter, trash, garbage, or other refuse at any place on any game land except in receptacles provided for disposal of such refuse at designated camping and target-shooting areas. No garbage dumps or sanitary landfills shall be established on any game land by any person, firm, corporation, county or municipality, except as permitted by the landowner.

(c) Possession of Hunting Devices. It is unlawful to possess a firearm or bow and arrow on a game land at any time except during the open hunting seasons or hunting days for game birds or game animals, other than fox, thereon unless said device is cased or not immediately available for use, provided that such devices may be possessed and used by persons participating in field trials on field trial areas and on target shooting areas designated by the landowner, and possessed in designated camping areas for defense of persons and property; and provided further that .22 caliber pistols with barrels not greater than seven and one-half inches in length and shooting only short, long, or long rifle ammunition may be carried as side arms on game lands at any time other than by hunters during the special bow and arrow and muzzle-loading firearms deer hunting seasons and by individuals training dogs during closed season without field trial authorization. This Rule shall not prevent possession or use of a bow and arrow as a licensed special fishing device in those waters where such use is authorized. During the closed firearms seasons on big game (deer, bear, boar, wild turkey), no person shall possess a shotgun shell containing larger than No. 4 shot or any rifle or pistol larger than a .22 caliber rimfire while on a game land, except that shotgun shells containing any size steel or non-toxic shot may be used while waterfowl hunting. SECTION .0300 - DEFINITIONS AND EXPLANATIONS OF TERMS APPLICABLE TO LICENSING

.0306 BONA FIDE EMPLOYEE

(a) For the exemption for electrical work done as a bona fide employee of a license under G.S. 87-43.1(3), the following conditions must be met:

- (1) ~~The employing licensee must hold a license issued by the Board. The restrictions of the license apply to both the licensee and any employee of the licensee. The restrictions of the employing licensee's license apply to any employee of the licensee.~~
- (2) ~~The work performed by the individual must be performed as an employee of the licensee during the hours the individual is actually working as an employee of the employing licensee, and must be restricted to the specific electrical work which the individual is doing for, and in the name of, the licensee. The employing licensee shall have control and direction of the details, methods and manner of performing the electrical work being done by the employee. The manner of payment, if any, to the person shall not be the sole determining factor concerning whether the person is an employee.~~
- (3) ~~The individual must receive compensation from the employing licensee that is reasonable related to the~~

hours worked or the work accomplished by the individual for the licensee. The electrical work shall be performed under the supervision and direction of a listed qualified individual who is the employing licensee, or under the supervision and direction of a listed qualified individual regularly employed by the employing licensee.

The Board may, at its discretion, call for satisfactory evidence that this requirement has been or is being fulfilled with respect to the individual employee and the specific work for which the exception is claimed. The employing licensee, the employee, and every listed qualified individual of the licensee shall furnish any information the Board may require, including affidavits, to evaluate and determine a claim of employee exemption.~~

(c) ~~G.S. 87-43 and 87-43.2 are further interpreted as placing a joint responsibility on the employing licensee, the individual employee, and every listed qualified individual to furnish any information the Board may require to evaluate and determine a claim of employee exception. Ordinarily, the employing licensee will be expected to provide information in affidavit form on a form furnished by the Board.~~

(c) (d) When the information furnished to the Board does not substantiate compliance with this Rule, the individual shall be deemed to be an independent contractor rather than an employee and shall be subject to G.S. Chapter 87, Article 4.

(e) ~~When it is determined that a claim of employee exception is not in compliance with this Rule, the Board has the duty to determine what, if~~

~~any, action shall be taken with respect to the alleged employing licensee or the alleged individual employee to assure compliance with the North Carolina Electrical Contracting Licensing Act, so that the life, health, safety and property of the public may be protected.~~

CHAPTER 40 - BOARD OF OPTICIANS

SECTION .0200 - CONDUCT OF REGISTRANTS

.0214 COMPLAINTS; PRELIMINARY DETERMINATIONS

(a) A person who believes that any person, firm or corporation is in violation of any provision of G.S. 90, Article 17, or Title 21, Chapter 40, of the North Carolina Administrative Code, may file a written complaint with the Board's staff. If the accused is subject to the jurisdiction of the Board, the complaint shall be handled pursuant to this Rule.

(b) A complaint shall be handled initially by the Board's Administrative Director or his staff designee, who may dismiss it as unfounded, frivolous or trivial.

(c) Unless the complaint is dismissed pursuant to Paragraph (b) of this Rule, the Administrative Director or his staff designee shall notify the accused of the complaint in writing. Such notice shall be sent by certified mail, return receipt

requested; shall state the alleged facts as contained in the complaint, or may enclose a copy of the complaint; and shall contain a request that the accused submit an answer in writing within 20 days from the date the notice of the complaint is received by the accused.

(d) If the accused admits to the charges, and if, in the opinion of the Administrative Director or his staff designee, the charges do not merit review by the Board's disciplinary committee, the Administrative Director or his staff designee shall accept the accused's admission of guilt and shall issue a letter of caution or reprimand on behalf of the Board. The letter shall include an order to the accused to refrain from violating G.S. 90, Article 17, or Title 21, Chapter 40, of the North Carolina Administrative Code in the future.

(e) If the accused admits to the charges, and if, in the opinion of the Administrative Director or his staff designee, the charges merit review by the Board's disciplinary committee, the Administrative Director or his staff designee shall refer the complaint to the committee. After reviewing the charges, the committee shall make a preliminary determination of the charges and shall recommend to the Board which of the actions listed in Paragraph (h) of this Rule should be taken.

(f) If the accused does not respond to or denies the charges, the Board's Administrative Director or his staff designee shall investigate the allegations contained in the complaint, and the Administrative Director or his staff designee may dismiss the complaint as unfounded, frivolous or trivial, or may refer the complaint, evidence and investigative findings to the Board's disciplinary committee for review. From such review, the committee shall make a preliminary determination of the charges and shall recommend to the Board which of the actions listed in Paragraph (h) of this Rule should be taken.

(g) The complaint, evidence, investigative findings and disposition of each case shall be placed in a permanent file of the accused. When a second complaint is filed against the accused during a period of 12 months, or a third complaint is filed against the accused during any period of time, the Administrative Director or his staff designee shall present the accused's file to the disciplinary committee for a review. From such review, the committee shall make a preliminary determination of the new complaint and recommend to the Board which of the actions listed in Paragraph (h) of this Rule should be taken.

(h) In accordance with Paragraphs (e) through (g) of this Rule, the disciplinary committee shall

receive and review the complaint and the accused's file, if applicable, shall make a preliminary determination, and shall recommend to the Board that one of the following actions be taken:

- (1) the charges be dismissed as unfounded, frivolous or trivial;
- (2) a letter of caution be issued to the accused by the Board;
- (3) in a case of admission of guilt, a letter of reprimand be issued to the accused by the Board; or
- (4) the case be presented to the Board, excluding board members who participated in the preliminary determination, for a contested case hearing, to be conducted in accordance with G.S. 90-249 and G.S. 150B, Article 3A, and the rules of the Board.

Statutory Authority G.S. 90-239; 90-249.

CLEMON EVANS
GLAMOR INN

Petitioner,

v.

N. C. ALCOHOLIC BEVERAGE CONTROL
COMMISSION

Respondent.

RECOMMENDED DECISION

This matter came on for hearing on September 29, 1992 in Raleigh, North Carolina before Administrative Law Judge Thomas R. West.

APPEARANCES

Petitioner appeared pro se.

Respondent was represented by Chief Agency Legal Specialist, Larry S. Height.

WITNESSES

The following testified for the ABC Commission:

Mike Ellington - ALE agent

Sheriff Richard Frye - Sheriff, Alamance County

The following testified for Petitioner:

Clemon Evans

Johnny Bruner

EXHIBITS

No exhibits were introduced at the hearing.

ISSUE

Respondent, N. C. Alcoholic Beverage Control Commission (hereafter "ABC") denied Petitioner's application for permits to sell malt beverages for consumption on premises and permits for the sale of unfortified wine. ABC disapproved the applications because of:

"Local governmental objections and other evidence concerning the reputation of this location which show that this is not a suitable location to hold ABC permits and that operation of the applicants' business would be detrimental to the neighborhood."

Issue: Did ABC err by denying the applications?

Answer: Yes.

BURDEN OF PROOF

The burden of proof is on Petitioner (hereafter "Evans") to show by the greater weight of the substantial evidence that ABC erred by denying the permits.

Based on a preponderance of the substantial evidence admitted the undersigned Administrative Law judge finds the following to be the facts:

FINDINGS OF FACT

1. ABC stipulated at the hearing that Evans is a suitable person to hold the ABC permits for which he applied.
2. In early 1992, Evans applied for ABC permits to operate the Glamor Inn. The location is in a racially mixed area of Alamance County. The physical premises are owned by Johnny Bruner.
3. On April 1, 1992, ALE agent Mike Ellington completed the standard investigation of the premises that is performed by ALE when someone applies for ABC permits. Ellington found no problems with:
 - a. The physical layout of the premises:
 - b. Parking.

There are no violations pending against the establishment. Evans has a valid lease agreement with Bruner. Glamor Inn is located more than fifty (50) feet from any school or church.

Evans is a citizen and resident of North Carolina.

4. Subsequent to the ALE investigation, ABC issued a temporary permit to Evans on March 3, 1992.
5. Sheriff Richard Frye is authorized by the Commissioners of Alamance County to respond to the ABC Commission regarding any objections Alamance County might have to the operation of an establishment with ABC permits.
6. Sheriff Frye filed a form propounded by the ABC Commission known as a "Local Governmental Objection Form". Sheriff Frye indicated on the form he did not approve of either Evans or the location.
7. As a result of Sheriff Frye's filing the objection, ABC denied Evan's application for permits. The temporary permits expired approximately thirty (30) days after they were issued.
8. Evans has never held ABC permits prior to the temporary permits issued in this case. During the time Evans held temporary permits, no violations occurred at Glamor Inn. No calls were made to any law enforcement agency regarding Glamor Inn.
9. Sheriff Frye testified that citizens had petitioned him to oppose the issuance of permits at the locations at issue. The sheriff testified he would oppose the issuance of a permit to anyone at that location, but has no objection to Evans. The sheriff further testified that there have been no calls regarding disturbances at Glamor Inn.

The undersigned has no reason to doubt any of the testimony set forth hereinabove.

10. Prior to the time that Evans applied to operate Glamor Inn, an establishment known as "Ne's" was permitted by ABC to operate at the same physical location. "Ne's" was operated by Beatrice Ward. Ward is white. Evans is black.
11. While Ward operated "Ne's", a sign stating "No Blacks Allowed" was posted in the window. The patrons of "Ne's" usually arrived via motorcycle. The patrons of "Ne's" were white.
12. While Ward operated "Ne's", there were two homicides, numerous fights to which the Alamance County Sheriff responded, gunshots and loud music.
13. During the time Evans operated Glamor Inn with ABC permits, it was open from 5 p.m. to 9 or 10 p.m. on weekends, and on Sunday from 1 p.m. to 10 p.m. Evans had food, pool tables and beer.

Evans operates Glamor Inn by himself. Saturday night was his best business period. Approximately thirty (30) people would be in Glamor Inn on Saturday night.

14. Glamor Inn is patronized by blacks, whites and Mexicans.
15. Evans stipulated at the hearing that he is withdrawing his application for unfortified wine.
16. Within one quarter mile of Glamor Inn, four establishments sell beer. The establishments have not been the source of any calls to law enforcement agencies relating to violations of the ABC laws.
17. ABC continues to oppose issuance of permits because of the reputation of the previous owner and the community's concern about operation of the establishment.

Based on the foregoing, the undersigned makes the following:

CONCLUSIONS OF LAW

1. Evans is a suitable person to hold ABC permits for the sale of malt beverages for consumption on premises.
2. The operation of "Ne's" was detrimental to the neighborhood in which it was located.
3. The operation of establishments with ABC permits is not detrimental to the neighborhood at issue in this case.
4. The operation of Glamor Inn by Evans for the one month during which he held permits was not detrimental to the neighborhood.
5. It is arbitrary and capricious and otherwise erroneous to conclude that the operation of Glamor Inn by Evans would be detrimental to the neighborhood solely because the operation of "Ne's" by Beatrice Ward was detrimental.

Based on the foregoing, the undersigned issues the following:

RECOMMENDED DECISION

The ABC Commission should issue a permit to Evans for the sale of malt beverages for consumption at Glamor Inn.

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statute 150B-36(b).

--	---	------------------------------------

This matter was heard before Brenda B. Becton, Administrative Law Judge, on September 25, 1992, in Smithfield, North Carolina.

APPEARANCES

Petitioner:	Pro se.
Respondent:	Alexander McC. Peters, Associate Attorney General, North Carolina Department of Justice, Raleigh, N. C.

ISSUE

Whether the Petitioner is obligated to repay to the Respondent \$1295.17 in retirement benefits received from the Respondent after the Petitioner's retirement and her subsequent part-time employment with Johnston County Community College and Johnston County Public Schools.

EXHIBITS

The following exhibits offered by the Respondent were received in evidence:

- R1. Computer print-out from the Respondent's file on the Petitioner showing salaries received from February, 1991 through July, 1992.
- R2. Page 15 from handbook, "Your Retirement System/How It Works," effective July 1, 1969.
- R3. Letter date May 16, 1973, from the Petitioner to the Respondent.
- R4. Letter dated May 24, 1973, from Helen Stewart of the Respondent to the Petitioner.

FINDINGS OF FACT

From official documents in the file, sworn testimony of the witnesses, and other competent and admissible evidence, it is found as a fact that:

- 1. The Petitioner is a 84 year old former school teacher. She retired from employment with the State in 1973.
- 2. Prior to her retirement, the Petitioner wrote the Respondent and requested that she be sent literature

regarding the retirement system. In response to the Petitioner's request, the 1969 version of the handbook titled, "Your Retirement System/How It Works," was sent to the Petitioner.

3. Page 15 of the retirement handbook contains a section about re-employment by a unit of the Retirement System which reads as follows:

If your re-employment starts or continues **after** you reach age 62 your retirement allowance will be reduced to the extent necessary (if any) so that the sum of your retirement allowance and earnings from employment for any year will not exceed your annual rate of compensation when you retired.

4. The Petitioner does not recall ever receiving a copy of the Respondent's retirement handbook.
5. Since her retirement in 1973, the Petitioner has taught part-time as a substitute teacher for the State and at a community college.
6. As a result of the combined salaries earned by her at her two part-time jobs, the Petitioner exceeded the maximum income that a retiree is allowed to receive from employers participating in the state retirement system.
7. The Petitioner's earning exceeded the maximum allowable amount for the months January through April, 1992.
8. Once the Respondent discovered the problem, the Petitioner's benefits were suspended. The Petitioner, however, received her benefit in the amount of \$1,295.17 for February, 1992 which the Respondent has asked her to repay.
9. The Petitioner was not aware that there was a limit on the amount she could earn working part-time for the state while receiving retirement benefits. She had assumed that her retirement benefit operated similar to Social Security benefits where there is no limitation on the amount earned after an individual reaches age 72.

Based on the foregoing Findings of Fact, the undersigned Administrative Law Judge makes the following:

CONCLUSIONS OF LAW

1. North Carolina General Statutes section 135-3(8)c provides that the retirement benefits payable to a person who retires on a service retirement and then is re-employed by an employer participating in the Retirement System must be suspended if the salary earned during the re-employment exceeds the maximum income that a retiree is allowed from employers participating in the Retirement System.
2. Pursuant to section 135-3(8)c, the respondent was required to suspend the Petitioner's benefits during the months that her income exceeded the maximum amount allowed by statute, January through April, 1992.
3. The Petitioner contends that the Respondent's policy of counting state-system earnings but not counting non-state system earnings in calculating reductions in or termination of state retirement benefits violates the Equal Protection clause of the Fourteenth Amendment of the United States Constitution. The requirement that Petitioner's benefits be suspended if her earnings reach a certain level is not a policy decision or regulation promulgated by the Respondent, but a statutory requirement enacted by the legislature. An administrative law judge does not have jurisdiction to rule on the constitutionality of statutes enacted by our legislature. Therefore, the undersigned cannot rule upon the Petitioner's equal protection claim.

4. The Respondent was required, pursuant to the provisions of section 135-3(8)c of the North Carolina General Statutes to suspend the Petitioner's retirement benefits for the period January, 1992 through April, 1992. The provisions of section 135-3(8)c are mandatory and the Respondent is given no discretion regarding the decision to suspend or terminate benefits.
5. The retirement benefits received by the Petitioner for February, 1992 must be repaid to the Respondent.

RECOMMENDED DECISION

The Board of Trustees of the Teachers' and State Employees' Retirement System will make the Final Decision in this contested case. It is recommended that the Board adopt the Findings of Fact and Conclusions of Law set forth above and affirm its decision that the Petitioner is required to repay \$1,272.62 in retirement benefits received by the Petitioner for the month of February, 1992. It is further recommended that the Petitioner be allowed to repay the Respondent in six (6) monthly installments.

DISCUSSION

The Petitioner maintains that she was unaware of the limitation on the amount she could earn and still receive retirement benefits. The Respondent, having included a reference to the income limitation in the handbook it distributes to employers participating in the Retirement System, appears to maintain that it has no further obligation to inform retirees of the income limitations.

There is an underlying issue in this case of whether there exists a duty on the part of the Respondent to notify the members of the State Retirement Systems of the existence of income limitations on their entitlement to receive monthly retirement benefits, and the extent of the duty, if such a duty exists. There is no North Carolina law directly on point.

It seems to the undersigned that the Respondent should be obligated to do more than include a reference to the income limitation in a handbook. This is especially true when the Respondent has no way of knowing whether or not the handbook actually reaches each member of the Retirement System since it does not distribute the handbook to its members, but relies on the employers to distribute it.

Information as vital as the impact of income earned from re-employment with the State upon one's receipt of monthly retirement benefits should not be disseminated in such a haphazard fashion as that relied upon by the Respondent. In analogous situations, courts from other jurisdictions have required that limitations on benefits be plainly and clearly brought to the attention of the affected individuals, and a booklet briefly outlining limitations was found not to be sufficient notice to the affected parties. See, e.g., Russell v. Bankers Life Company, 46 Cal. App. 3d 405, 120 Cal. Rptr. 627 (1975).

As long as income limitations continue to exist, the Respondent should be required to notify its retired members annually of what the income limitation is and provide a person whom affected persons can contact to obtain answers to any questions that might arise regarding the impact of such limitations on the receipt on monthly benefit checks.

Furthermore, the result required by the law in this case is extremely harsh. Penalizing our senior citizens for continuing to make contributions of their time and valuable knowledge to society is a poor public policy decision and poor use of invaluable human resources.

ORDER

It is hereby ordered that the agency serve a copy of the Final Decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statutes section 150B-36(b).

NOTICE

Before the Board makes the FINAL DECISION, it is required by North Carolina General Statutes section 150B-36(a) to give each party an opportunity to file exceptions to this RECOMMENDED DECISION, and to present written arguments to those in the agency who will make the final decision.

The agency is required by North Carolina General Statutes section 150B-36(b) to serve a copy of the Final Decision on all parties and to furnish a copy to the Parties' attorney of record.

This the 9th day of November, 1992.

The North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order. The other two, subchapters and sections are optional subdivisions to be used by agencies when appropriate.
